PCB fabrication check list

Please use this helpful checklist to verify completeness of your design files.
This will help prevent unnecessary delays in processing your order.

Do your design files clearly specify the following?

Layers#	
Dimension	
Material	
Thickness	
Surface finish	
Inner layer copper	
Outer layer copper	
Layer order(stackup)	
Top solder mask	
Bottom solder mask	
Top silkscreen	
Bottom silkscreen	
Drill file	
Special requirements
